## § 1

§ 1. The purpose of this Act is to ensure the effective implementation of the provisions of the Constitution of the Republic of Poland, in particular the provisions relating to the protection of the environment and the health of the population. The Act shall apply to the activities of the State, local government units and other entities performing public tasks, as well as to the activities of natural persons and legal entities, including foreign entities, carrying out activities in the territory of the Republic of Poland.

## § 2

§ 2. The provisions of this Act shall apply to the activities of the State, local government units and other entities performing public tasks, as well as to the activities of natural persons and legal entities, including foreign entities, carrying out activities in the territory of the Republic of Poland. The provisions of this Act shall not apply to the activities of the State, local government units and other entities performing public tasks, as well as to the activities of natural persons and legal entities, including foreign entities, carrying out activities in the territory of the Republic of Poland.

## § 3

§ 3. The provisions of this Act shall apply to the activities of the State, local government units and other entities performing public tasks, as well as to the activities of natural persons and legal entities, including foreign entities, carrying out activities in the territory of the Republic of Poland. The provisions of this Act shall not apply to the activities of the State, local government units and other entities performing public tasks, as well as to the activities of natural persons and legal entities, including foreign entities, carrying out activities in the territory of the Republic of Poland.

## § 4

§ 4. The provisions of this Act shall apply to the activities of the State, local government units and other entities performing public tasks, as well as to the activities of natural persons and legal entities, including foreign entities, carrying out activities in the territory of the Republic of Poland. The provisions of this Act shall not apply to the activities of the State, local government units and other entities performing public tasks, as well as to the activities of natural persons and legal entities, including foreign entities, carrying out activities in the territory of the Republic of Poland.
